

Notice:

Service Availability/Non-availability of X-Ray, CT scan, and MRI, USG and other imaging services

X-Ray and CT Scan Services (In-house)

- Available 24 hours a day, 7 days a week, including non-working hours
- Sundays & Public holidays

Ultrasound (USG) and MRI Services (In-house & outsourced)

- Available only during regular working hours: 9:00 AM – 5:00 PM, Monday to Saturday.
- Not available on Sundays and public holidays, except in medically justified emergencies.
- In emergencies, on-call radiologists or tie-up centres may be used as per availability.

Off-Hours and Holidays Protocol:

- A designated on-call technician is available to perform X-ray and CT scans during night shifts, weekends, and holidays.

Emergency Cases

- In situations where Ultrasound, MRI, CT, or any other imaging services are unavailable during emergencies:
- Patients are referred to the following pre-approved tie-up diagnostic centres by the hospital ambulance:
 - **Kalp Taru Diagnostic Centre**
 - **Purvanchal Diagnostic Centre**
